No.S 105/III/181 Karwar, 15-4-1957.

Subject: Lands: Kanara
Village Manaki, taluka Kumta
Grant of for Kanara College..

1. In enclosing herewith the correspondence ending with endorsement No.TRA 9499 dated 30-3-'57 from the Mamlatdar of Kumta, I have to state as follows:-

2. The Secretary, Kanara College Society, Kumta has applied for grant of an area of 10 acres land out of F.S.No.108A1A of Manaki village in Kumta taluka for the purpose of a Botonical garden and a swimming Pool.

3. Enquiry made reveals that the said Society is a registered one and that the swimming pool is being constructed with Government aid under the National Extension Service Scheme for the use of the public as well as college students. The site is at a distance of 2 miles from the college and is at a corner of the village where there is no demand for the site for cultivation or otherwise from the public. It is reported that there is a perennial water source even during summer which would supply regular water to the swimming pool. Besides, the Botonical garden and the swimming pool are essential requirements of the college. The purpose for which the area is asked for is more or less a public purpose and the activities therein will be mostly under the National Extension Service

Scheme under the management of the college. The Medical Officer of Health who was consulted in the matter has stated that the site is found to be suitable from public health point of view for the purpose intended(page 53).

4. The cattle population of the village is 527. The grazing area available in the village is 933 acres. The grazing requirements of the village will not be affected if the area is disforested and granted for the said purpose.

5. The panch value of the area of 10 acres proposed to be granted is Rs.180/-. The non-agricultural assessment of the area in question at the rate of 2 pies per square yard fixed by the Collector for the village comes to Rs.504-2-0. The capitalized value of the area comes to Rs.15,123-12-0 and thus, the revenue free value of the land is estimated at Rs.15,303-12-0 (Mamlatdar's report at page 59).

6. The Divisional Forest Officer, W.D.,Kanara has no objection to grant 10 acres land to the Kanara College for the above said purpose(page 51). As regards the objects, status etc.of the Institution, the Kumta Mamlatdar's endorsement No. TRA 9499 dated 30-3-1957 (at pages 87 -89) may please be perused.

7. The area proposed for disforestment exceeds the limit of 5 acres prescribed in Government Resolution, Agriculture and Forests Department No.F.D.M.1054 dated 20-4-1955 and hence the Collector is not competent to pass necessary orders in this case. I would,therefore, request that Government may kindly be moved to accord sanction to disforest an area of 10 acres out
